TERMS AND CONDITIONS

The terms for buying the Blueprint

Last updated: 24 October 2026

> **In short.**
>
> You buy Phase 1 of an 8-step course: the Introduction, PDF workbooks for Steps 1 to 3, and access to the app. In the app you do the exercises, print or save your results after each step, can talk with an AI partner, and when you finish Phase 1 you get your personal Blueprint. You receive everything right after payment. The Blueprint gives practical guidance from experience. The Blueprint is self-study. It is not coaching, therapy, or legal, tax, immigration, financial, medical or psychological advice, and it cannot promise any result. The AI partner is an AI, not a person, and it can be wrong. The material is for your own use. Please do not share or resell it.

1. Who we are

The Life You Choose and The Made Real Blueprint are brands of Belgrave Management, Unipessoal Lda, a company registered in Portugal. In these terms, "we", "us" and "I" mean this company and me, Mwata, who runs it.

Company registration and tax number (NIPC): 518428338, registered in the Commercial Registry (Conservatória do Registo Comercial). Share capital: €10,000. Registered office: Rua Doutora Maria Adelaide Moura Ferreira, s/n,

Passarela, 6290-093 Lagarinhos, Gouveia, Portugal. Email: info@maderealblueprint.com. Telephone / WhatsApp: +31 657 930 469.

2. What these terms cover

The course is for adults aged 18 or over. These terms apply when you buy Phase 1 of the course on this website:

Option	What you receive
Phase 1 of the course · Choose it	The Introduction, and the PDF workbooks for Steps 1 to 3 (Picture, Explore, Decide). Access to the app for Phase 1: the exercises, results you can print or save after each step, an AI partner, and your personal Blueprint when you finish Phase 1.
What you need	A phone, tablet or computer with an up-to-date web browser and an internet connection. An email address to sign in. A way to open PDF files.

The full course (Steps 4 to 8) is not yet for sale. These terms will be updated when it is.

3. Prices and payment

The price for Phase 1 is €99, a one-time payment. The price includes VAT. There is no subscription and no extra fee for the app.

Your payment is processed by Lemon Squeezy, which acts as reseller and merchant of record for the sale: it charges you, sends your invoice and handles VAT. Belgrave Management, Unipessoal Lda provides the course content and the app and is responsible for them, including your rights in sections 9 and 12. Lemon Squeezy's buyer terms apply to the payment itself. Where those terms say

something different about your right to withdraw or to a refund, sections 9 and 12 of these terms apply to you as a consumer.

4. Delivery and access

Right after payment, you receive a link to download all Phase 1 workbooks as PDF files, and a separate email with how to access the app. That email is sent to the address you used to pay, and tells you to sign in at app.maderealblueprint.com with that email address and a one-time code that we email to you.

Access normally starts within a few minutes of payment. If something doesn't arrive, or you cannot sign in, use "Bought but no access?" in the app, or email us, and we will fix it.

5. How long you have access

You have access to Phase 1 for at least 3 years from your purchase. If we ever close the app, we give you at least 12 months notice by email, and you can first download your answers and your personal Blueprint. After three years, we may close an account that has been inactive for 24 months, but only after an email to you and 30 days to reply.

6. Your account and your answers

You sign in with your email address and a code. Please keep your email account secure and do not let others use your account. Each buyer has their own account and answers.

What you write in the app is yours. You give us permission to store it and to use it to provide the app to you, as described in our privacy note. We do not publish it, and we do not use it for marketing.

You can delete your answers and your account at any time in the app. If you delete everything, your answers, chats and notes are gone and your access ends. This does not change your right to cancel in section 9.

7. The AI partner

The app has an AI partner. It is an artificial intelligence, not a person. It reads what you wrote and helps you think: it asks questions, challenges you and can suggest a first draft. Please keep these things in mind:

- It can be wrong. Check anything that matters, especially rules, prices and dates.
- It is not coaching, therapy, or legal, tax, immigration, financial, medical or psychological advice, and it cannot promise any result. It tells you which kind of professional to ask.
- You decide. A draft is only a suggestion until you accept it.
- To keep the service fair for everyone, there is a daily limit on messages and drafts per person.
- Please do not write details about other people that they would not want shared. Please also avoid special categories of data (such as health, religion, sexual orientation or political opinions) unless you want the AI partner to take them into account. If you choose to write them, the second box on the consent screen before your first chat is your explicit consent to that.

I (Mwata) can read your answers only if you allow it in Settings. You can change that at any time. You can email me questions about the material. My answers are general guidance, not individual coaching.

The AI partner is optional. Before you first use it, we ask for your explicit consent to send what you write to our AI provider, as explained in the privacy note. You can withdraw it at any time in Settings, and the rest of the app keeps working.

8. Changes to the app and the material

We may improve and update the app and the material, for example to fix errors, add features, keep information up to date or keep the app secure. We keep what we promised in section 2. If a change clearly makes your use worse, and it is more than a small change, we tell you by email in good time, and you may end the contract free of charge and we refund the price. You then have 30 days from the notice, or from the change if it is later.

9. Your right to withdraw (consumers)

If you are a consumer, you may withdraw from this contract within 14 days, starting on the day you buy, without giving any reason. This is our own commitment: we apply it even if you have already started using the app, and we deduct nothing from your refund.

How to withdraw. Go to Withdraw from contract here. You do not need to sign in. Enter the email address you used to pay, add your order number if you have it (it is on your Lemon Squeezy receipt), then press “Confirm withdrawal”. A missing or mistyped order number does not hold anything up. We send you an email straight away that confirms we received your withdrawal, with the date and time. You can also withdraw by email to info@maderealblueprint.com, or with the model withdrawal form at the end of these terms.

Refund. We refund the full price within 14 days of learning of your decision, to the payment method you used, through Lemon Squeezy. When you withdraw, your access to the app ends three days after we receive your notice, so you have time to download your workbook. Those three days do not affect the refund.

30-day guarantee. Beyond your legal right to withdraw, if the Blueprint is not what you expected you can ask for a refund within 30 days of purchase. Email us at the same address with your order number. If you like, tell us in a line or two what did not work for you: this one is our own promise rather than a legal right, and the

reason is what lets us improve it. The refund does not depend on it. We refund the full price. This guarantee does not limit your legal rights. If you ask for a refund under the 30-day guarantee, we refund the full price in the same way, and your access ends three days after your request, as for a withdrawal.

10. Using the material

The workbooks, texts, examples, pictures and the app are protected by copyright. When you buy, you get a personal licence: you may use and print the workbooks and use the app for yourself and the people you plan your move with. You may not copy, share, sell or publish them, or use them to teach others, without our written permission.

11. What the Blueprint is, and is not

The Blueprint shares practical knowledge from my experience building a life abroad twice and helps you make your own plans. The Blueprint is self-study. It is not coaching, therapy, or legal, tax, immigration, financial, medical or psychological advice, and it cannot promise any result. Rules and prices change: we show our sources and the date we checked them, and tell you which professional to ask. Your decisions, and what happens as a result, are yours. We cannot guarantee any result, such as a residence permit, a property purchase or an income.

12. If something is not as promised

We must deliver what we promised in these terms. If the workbooks or the app do not conform to the contract, tell us at info@maderealblueprint.com. You have the right to have them put right (repair or replacement) free of charge within a reasonable time. If we do not do that, or the problem is serious, you may ask for a lower price or end the contract and receive a refund. These rights apply to the

workbooks for at least two years from delivery, and to the app for the whole period of your access. They add to, and do not replace, your rights under Portuguese and EU consumer law.

13. Our liability

We do our best to keep the workbooks and the app correct, available and up to date. We are not liable for losses we could not reasonably have foreseen. Nothing in these terms limits our liability for death or personal injury, for intent or gross negligence, or any right you have under mandatory consumer law, including section 12. Apart from that, our liability follows the law.

14. Upgrading from Phase 1

When the full course opens, I intend to credit what you paid for Phase 1, and I will confirm how before it opens.

15. Questions and complaints

Not happy about something? Please email us first at info@maderealblueprint.com. We will work with you to find a solution.

You can also use the Portuguese electronic complaints book, the Livro de Reclamações, at www.livroreclamacoes.pt.

Resolving a dispute without going to court. If we cannot solve a problem together, you can ask the National Centre for Information and Arbitration of Consumer Disputes (CNIACC, www.cniacc.pt) to mediate or decide it. It is an approved consumer dispute resolution body in Portugal, and its area includes our registered office. Under Portuguese law, when a consumer chooses this route for a dispute of up to EUR 5,000, we must take part, and we will. We will also take part in a

mediation you ask for in any other dispute. If you live in another EU country, you can get free help from the European Consumer Centre in your country. More information: www.consumidor.gov.pt.

16. Law

Portuguese law governs these terms. If you are a consumer living in another EU country, you keep the protection of the mandatory rules of your own country. If you are a consumer, you may bring proceedings in the courts of the country where you live. These terms are in English.

17. Changes to these terms

We may update these terms. The version that applies to your purchase is the one on the website on the day you buy, and we keep a dated copy of every version. If we change something that affects what you bought, we follow section 8.
